GLOF ALERT

WG-1(24)/2015/

**Issue Date: 19th July, 2023
Issue Time: 10:00 AM**

High temperatures in Gilgit-Baltistan (GB) are expected to persist followed by rainfall spells during this week. The flows of river streams will increase and there is a high probability of triggering GLOF events/ Flash floods, in the vulnerable snow and glaciated areas of G-B. The relevant local organizations, and local communities are advised to remain vigilant and observe precautionary measures due to expected GLOF events/ Flash floods during the spell.
